Description :

Automatic Transmission Rear Wheel Drive, 4 Forward Speeds + Reverse

This product is a cut-away of an automatic transmission with rear wheel drive, and it is carefully sectioned for training purposes. Colors are used to differentiate between parts. Many parts have been chromium plated and galvanized for a longer life. An exploded/cut-away view of the hydraulic circuit is provided to better show its various ducts and valves. This transmission is operated manually and is mounted on a stand with wheels.
