

Product Name :
Computer Controlled Tray Dryer

Product Code :
ChemicalMT-10012

Description :

Compact desktop tray dryer for laboratory drying studies, with temperature and air flow under computer control and full data logging. Capacity is up to 2.1 Kg of wet material, air flows from 0.4 to 3.0 m/s over the trays, and temperatures reach 80°C at 0.4 m/s, less at higher flows. Construction is stainless steel throughout, and built-in electronic weighing gives the drying rate directly.
