

Product Name :
Concrete Testing Equipment for Teaching Equipments Lab

Product Code :
LABS-EDU-0076

Description :

Concrete Testing Equipment A wide range of **Concrete Test Hammer** is made available by us for our valued patrons. The hammers we deal in are designed by adept professionals at par with the defined industry norms and guidelines, making use of finest-grade metals & other components. Also, our offered range is installed with an electronic transducer, integrated software and digital display, which in turn ensures their easy operations. Prior to dispatch, we test these hammers on different parameters, thus ensuring their complete flawlessness.
