Product Name: Diesel Engine With Clutch & Gearbox, Front Wheel Drive, Manually Operated	Product Code : TechnicalLab0471
Description:	
Diesel Engine With Clutch & Gearbox, Front Wheel Drive, Manually Operated	
This product is a cut-away of a manually operated front-drive diesel engine with a clutch gearbox on a sturdy stand with wheels. This is a 4-stroke, 4-cylinder in-line configuration engine that will allow you to:	
• Control, with precision, the speed of the engine with the use of a crank handle.	
Differentiate each of the parts, which have been carefully sectioned for training purposes.	
• Educate about all separately painted mechanical segments, cross-section cooling system, etc.	s, lubricating circuits, fuel system,
cooming system, etc.	
Expect a longer life for the cut-away due to the many chromium plated an	d galvanized parts.
SPECIFICATIONS:	
• 4 stroke engine; 4 in-line cylinders	
• Displacement: 1300 cu. cm	
• Indirect injection
