

Product Name :
Digital CBR Test Machine

Product Code :
Civil Engineering0016

Description :

Digital CBR Test Machine

We are Leading Supplier of Digital CBR Test Machine in India. We also bulk supply Digital CBR Test Machine for laboratory testers.

Description:

The CBR machine features a rigid two-column frame with upper cross-beam, which can be adjusted in height and locked in position with locknuts. The driven force is provided by a linkage of motor, worm and worm wheel housed in the base cabinet, which also accommodates the motor and the electric panel. It can be operated by both motor and manual handle.
