

Product Name :
Electrically Assisted Steering

Product Code :
TechnicalLab0325

Description :

Electrically Assisted Steering

This product is a cut-away of an electrically assisted steering unit. The cut-away is mounted on a table stand.

This cut-away is carefully sectioned for training purposes and professionally painted with different colors to differentiate the various parts and cross sections. Many parts have been chromium plated and galvanized for a longer life.

SPECIFICATIONS:

- Rack steering box
- Power steering motor
- Electrically assisted steering actuator
- Power steering control unit
- Mounted on a table stand
- Operated manually
