

Product Name : Feed Check Valve - Heat Transfer Training Systems and Heat Lab Engine Trainers for engineering schools	Product Code : NEMHTM19
---------------------------------------------------------------------------------------------------------------------------------	-----------------------------------

Description :

Feed Check Valve, technical teaching equipment for engineering - Heat Transfer Training Systems and Heat Lab Engine Trainers

Technical Specification :

We have kept in our stock a versatile collection of Feed Check Valve Model which is a good design of non-reciprocating. All our products are manufactured using excellent quality metal, employing latest machinery tools and advanced technology. To cope up with the varied client's demand, we offer them in various sizes and sizes in affordable prices.

Features:

- Good durability
- Made as per customer specification
- Heavy duty
- Very long service life
- Handles extreme pressure

Specifications

- Can be regulated by hand

- Easy operation

-

Safe and used with ease
