

**Product Name :**  
Freezer India

**Product Code :**  
NG658A

**Description :**

Freezer India

**Technical Specification :**

- The storage compartment is divided vertically into 2 storage compartments fully insulated and completely independent between them, in the right door, the refrigerator compartment, while at the left door, the freezer.
- All the internal corners are rounded to make easy any cleaning operations and the internal bottom is tray type to contain spills
- Both the doors are provided with a removable magnetic rubber gasket in order to grant a perfect hermetic closing.
- The handles are flush-fitting type so they do not increase the size of the refrigerator.
- Both the doors are also fitted with a spring loaded automatic closing device for openings inferior 90° and with special door switches that stop the internal ventilation at the door opening and light the internal lighting at every opening.
- Capacity: 625 liters  $\pm 5\%$
- Approximate Shelf dimensions (Width x Depth): 53 x 65 cm
- Shelf loading capability: 35 kg  $\pm 5\%$  (with uniformly stored material)

- Approximate External Dimensions (Width x Depth x Height): 750 x 820 x 2,100 mm
- Net weight: 170 kg  $\pm 5\%$
- Refrigeration: forced
- Temperature range: infinitely adjustable between  $-15^{\circ}\text{C}$  /  $-30^{\circ}\text{C}$
- Power supply: 220-240V, 50Hz
- Structure: Steel, Epoxy coated white color both in –and outside or in stainless- Steel 304 both in- and outside.
- Insulation: high density (40 Kg/m<sup>3</sup>) foamed- in-place
- Polyurethane, with a thickness of 75 mm.
- Control panel: Located in the top part of the structure (above the door). it is microprocessor operating with 6 soft-touchpads and LED display, allowing the control of all the functions and working status of the refrigerator (including alarms)
- Digital temperature adjusting and displaying accuracy:  $0.1^{\circ}\text{C}$
- Digital temperature displaying and adjusting accuracy:  $0.1^{\circ}\text{C}$
- Keyboard touch-buttons with automatic block safety protection. to avoid tampering from unauthorized persons: YES
