

Product Name :
Front Wheel Alignment Trainerfor engineering schools

Product Code :
AUTO-EN024

Description :

Front Wheel Alignment Trainer, technical teaching equipment for engineering

The alignment is FREE with any tire purchase - we don't sell or install front end parts so you will **never get any add-on to your invoice.**

If you need parts we will let you know - you can take the vehicle to your mechanic, have the parts installed and we will do the alignment **again absolutely free of any charge!**

Town Fair Tire uses State Of The Art equipment and all of our technicians are Hunter Certified.

We will give you a printout showing you before and after readings. Our technicians will align every vehicle to manufacturer specifications.
