## Product Name : Planetary Gear Demonstrator (Class Pack of 10)

Product Code : TechnicalLab0422

## **Description**:

Planetary Gear Demonstrator (Class Pack of 10)

This product is a small-sized model unit used for explaining the principle of a planetary gear. By setting the internal sun and pinion gears into motion (input or fixed), you can get the different outputs from acceleration, deceleration and reverse.

Comes equipped with a storage case holding 10 Planetary Gear Demonstrators.
