

Product Name : PLC Trainer Module for Instrumentation Electric Labs	Product Code : ITT-TR-018A
 The image shows a black rectangular PLC trainer module. It features a central terminal block with multiple colored wires (red, blue, green, yellow, black) connected. To the left of the terminal block are four potentiometers with white knobs. To the right are two sets of screw terminals for wiring. The module is labeled 'Analog Module for PLC' in white text. The background of the image is a repeating pattern of the word 'NAUGRA' in a light blue font.	
Description : Analog Module Industrial PLC - Analog Module
