Description :

Pvc Charts

For each phone you need two 3/4" white PVC elbows and a 3.5" piece of 3/4" white PVC pipe. I am lucky enough to have a handy man around who can cut pipe for me, but I've heard that the nice people at Lowe's or Home Depot will cut the pipe for you right there if you ask nicely! So you just stick it the pieces together and wrap the middle section with duct tape. I bought some turquoise and pink zebra tape. Love them! I can't wait to use them for my reading groups and Read to Self. So much fun. I made ten in all
