

**Product Name :**  
Rack Power Steering

**Product Code :**  
TechnicalLab0323

**Description :**

Rack Power Steering

This product is a cut-away of a rack power steering unit. It is mounted on a base.

This cut-away is carefully sectioned for training purposes and professionally painted with different colors to differentiate the various parts and cross sections. Many parts have been chromium plated and galvanized for a longer life.

**SPECIFICATIONS:**

- Rack type steering box
- Hydraulic pump
- Oil tank with relevant filter
- Connecting pipes
- Mounted on a base
