

Product Name :
School Science Lab Educational Charts

Product Code :
SCHOOL-NELAB-21-A1061

The image shows a standard periodic table of elements, color-coded by groups. The word 'NAUGRA' is superimposed in large, bold, blue letters across the middle of the table. Below the main table, there are two rows of Lanthanide and Actinide series elements. At the very bottom, there is a legend with colored boxes corresponding to different element categories: Alkali Metal (red), Alkaline Earth (orange), Transition Metal (yellow), Rare Earth (green), Lanthanide (light green), Actinide (dark green), and Noble Gas (purple).

Description :
