

**Product Name :**  
Sectioned Automatic Transmission Trainerfor engineering schools

**Product Code :**  
AUTO-EN033

**Description :**

Sectioned Automatic Transmission Trainer, technical teaching equipment for engineering

Labtech offers beautifully sectioned automatic transmissions for use in the classroom. These full sized original sectioned transmissions are ideal for instruction in the classroom to aid in the explanation of design, construction operation principles and servicing techniques. Two models are available, one for rear wheel drive vehicles and the other for transverse mounted front wheel drive vehicles.
