

Product Name :
Seeder Cut-Away, Agricultural

Product Code :
TechnicalLab0506

Description :

Seeder Cut-Away, Agricultural

This cut-away of a towed universal seeder has been carefully sectioned for training purposes and professionally painted with different colors to better differentiate the various parts. Many parts have been chromium plated and galvanized for a longer life. This unit operates electrically and requires a 120 volt power source. It runs at a reduced speed to allow students to easily understand and observe the operation of the various mechanical parts.
