

Product Name :
Soil Testers for Teaching Equipments Lab

Product Code :
LABS-EDU-0085

Description :

Soil Testers

- This **3-in-1 Tester** is perfect for testing pH as well as available light and moisture.
- Moisture readings register on a scale of 0 (dry) to 10 (wet), light readings range from 0 (dark) to 2000 (light), and pH readings between pH 3.5(acidic) and pH 8 (alkaline) are represented.
- **Soil Moisture Tester** works by utilizing the electronic ground field effect of the earth and two dissimilar metals.
- Perfectly use for fruits, flowers, shrubs and vegetables.
- The **Soil pH Meter** test the acidity of soil and enable you to alter soil conditions.
- You can check soil pH at multiple depths.The probe is 8" long for extra large planters.
- Make you know the moisture of the soil then adjust moisture value to local conditions.
- **Soil Light Meter** is suitable for indoors or out and needs no batteries to operate.

- Clearly dial with Arabic numerals design , easy for you to read in the daily time.
- Tester size: 3 1/16: x 2 15/16" x 1 15/16"(L*W*T).
- Probe length: 8".
- Color: as the picture show.
- Weight: 92.5g.
