

Product Name :
Steering Box with Hourglass Screw

Product Code :
TechnicalLab0329

Description :

Steering Box with Hourglass Screw

This product is a cut-away of a steering box with hour glass screw. The cut-away is mounted on a base.

This cut-away is carefully sectioned for training purposes and professionally painted with different colors to differentiate the various parts and cross sections. Many parts have been chromium plated and galvanized for a longer life.
