

**Product Name :**  
Stefan Boltzman Apparatus for engineering schools

**Product Code :**  
HTL006

**Description :**

**Stefan Boltzman Apparatus, technical teaching equipment for engineering**

We are engaged in the manufacturing, trading and exporting of premium quality **Stefan Boltzman Apparatus**. Obtained from authentic vendors, best quality raw materials are used in the manufacturing of this apparatus. This apparatus is acknowledged around the globe for hassle-free installation, simple functionality and cost-effectiveness. Moreover, our offered apparatus is provided with a high quality temperature sensor and an instruction manual.

**Description:**

- The apparatus is designed to determine the Stefan Boltzman constant.
- The apparatus consists of a hemisphere fixed to a Bakelite plate, the outer surface of which forms the jacket to heat it.
- Hot water to heat the hemisphere is obtained from a hot water tank, which is fixed above the hemisphere. The copper test disc is introduced at the center of hemisphere.
- The temperatures of hemisphere and test disc are measured with the help of temperature sensors.

**Experimentation:**

- Determination of Stefan Boltzmann constant and study the effect of hemisphere temperature on it.

**Utilities required:**

- Electricity Supply : 1 Phase, 220 V AC, 2 kW.
- Table for set-up support.

**Technical Specifications:**

- Hemisphere Dia: 200 mm (approx.) made of Copper
- Jacket Dia: 250 mm (approx.) made of Stainless Steel
- Test Disc Size: 20 mm Dia. x 1.5-mm thickness made of Copper
- Water Tank: Stainless steel 12 Ltrs. cap
- Heater: Nichrome wire immersion heater
- Digital Temp. Controller: 0 to 199.90C, (for water tank)
- Digital Temp. Indicator: 0 to 199.90C, with multi channel switch
- Temperature sensors: RTD PT-100 type
- Instruction Manual: An english instruction manual will be provided along with the Apparatus
- The whole set-up is well designed and arranged on a powder-coated structure

**Technical Specification :**

Stefan Boltzman Apparatus

## Naugra Export

**Website:** www.naugraexport.com, **Email:** sales@naugraexport.com

**Address:** 6148/6, Guru Nanak Marg, Ambala Cantt, Haryana, India, **Phone:** +91-0171-2643080, 2601773
