

Product Name : Stop Valve Hopkinson Type - Heat Transfer Training Systems and Heat Lab Engine Trainers for engineering schools	Product Code : NEMHTM18
------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------

Description :

Stop Valve Hopkinson Type, technical teaching equipment for engineering - Heat Transfer Training Systems and Heat Lab Engine Trainers

Technical Specification :

This type has many advantages over ordinary design of junction stop valve. The construction and the method of opening the compressed valve can be easily demonstrated with this all metal functional model.
