

**Product Name :**  
Variable Geometry Turbosupercharger

**Product Code :**  
TechnicalLab0368

**Description :**

Variable Geometry Turbosupercharger

This product is a cut-away model of a variable geometry turbosupercharger. This cut-away model is carefully sectioned so that the moving blade assembly and the operation of the variable geometry system are clearly displayed. The model is mounted on a base. This is a traditional turbosupercharger cut-away that is found in 1995-2000 cars.
