Product Name : Wiper Riseup Link Mechanism	Product Code : TechnicalLab0345
Description :	
Wiper Riseup Link Mechanism	

Naugra Export

This product is a transparency of a wiper riseup link mechanism. This transparency teaches the principle of how the rise-up type intermittent wiper applies the link mechanism. The blade goes up and down slightly above the

weather-strip when the wiper is working. When it stops, the blade always returns to the weatherstrip.
